Independent Auditor's Report

The Board of Directors
Catholic Charities Legal Services
Archdiocese of Miami, Inc.:

Opinion

We have audited the accompanying financial statements of Catholic Charities Legal Services, Archdiocese of Miami, Inc. (the "Organization"), a non-profit organization, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2022, and the change in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year from the date the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 1 – NATURE OF ORGANIZATION

Catholic Charities Legal Services, Archdiocese of Miami, Inc. (the "Organization") is a non-profit organization. Its initial and current member is The Most Reverend Thomas G. Wenski, Archbishop of the Archdiocese of Miami. The organization's mission is to promote the principle of equal access to the system of justice, provide legal services to persons and groups in special need, inform immigrants of their legal rights, as well as inform and advise community groups and health and social service providers about the legal problems and rights of immigrants and about legal services provided by this entity, and provide legal services to facilitate the reunification of families and access to employment and human services.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of the Organization's significant accounting policies is presented to assist the reader in interpreting the financial statements. The policies are considered essential and should be read in conjunction with the financial statements.

A. Basis of presentation

The financial statements have been prepared on the accrual basis of accounting. Classification of the Organization's net assets, its revenue and expenses, and gains and losses are based on the existence or absence of donor/grantor-imposed restrictions. Net assets can be classified in the following categories:

- (i) *Net assets without donor restrictions* – consists of net assets that are not subject to donor/grantor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization, at the discretion of management and the board of directors.
- (ii) *Net assets with donor restrictions* – represent net assets subject to stipulations imposed by donors and/or grantors. Some donor/grantor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor/grantor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor/grantor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

B. Accounts receivable – legal service fees

The Organization provides immigration legal services to clients at significantly reduced fixed fee amounts. Due to the nature of the clients served and lengthy legal proceedings, the Organization does not enforce payment of services preceding inception of work. Instead, fees must be paid prior to closing of the client's case and may be paid over the length of the legal proceeding, which in some cases may extend over the period of several fiscal years. As such, the Organization periodically evaluates the accounts receivables for each type of legal service provided, as well as the status of any significant past due accounts, to determine an allowance for doubtful accounts. When management determines that a receivable is uncollectible, the balance is removed from accounts receivable and charged against the allowance. Any subsequent recoveries of amounts previously written-off are charged to income.

C. Property and equipment

Property and equipment purchased by the Organization are capitalized and recorded at cost. Donated assets are capitalized and recorded at fair market value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Expenses for maintenance and repairs are charged to expense when incurred.

NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Property and equipment (continued)

Donations of property and equipment are reported as support without donor restrictions, unless the donor has restricted the donated asset for a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Without donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated assets are placed in service, reclassifying net assets with donor restrictions to net assets without donor restrictions, at that time.

D. Concentration of credit risk

The Organization maintains cash balances in one bank, which is insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Management continually reviews the bank institution for deposit risk and believes the risk associated with the current banking institutions is minimal.

E. Revenue and revenue recognition

The Organization's other revenue sources, aside from legal service fees, are from grants, contributions and fundraising events. Grants and contributions are recognized as revenues when the donor's commitment is received. Fund raising event revenues are recognized as revenues when received.

Grants, contributions and fundraising event revenues are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor/grantor-imposed restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are classified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Grants, contributions and fundraising event revenues whose restrictions are met in the same reporting period are reported as support without donor restrictions.

F. Donated goods and services

Donated goods and services are reflected as in-kind contributions and expensed in the statement of activities. These donations are recorded at fair market value when received and when there is an objective basis for determining such values. During 2022, the Organization recorded in-kind contributions for professional services totaling \$56,333.

G. Functional allocation of expenses

The cost of providing various programs and other activities are summarized on a functional basis in the statement of activities and the statement of functional expenses. Accordingly, certain costs are allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

H. Income taxes

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and is properly listed under a group exemption with the Archdiocese of Miami. As a result, no income tax provision or liability has been provided in the accompanying financial statements.

NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**H. Income taxes** (continued)

In the unlikely event an uncertain tax position exists in which the Organization could incur income taxes, the Organization would evaluate whether there is a probability that the uncertain tax position taken would be sustained upon examination by a taxing authority. Reserves for uncertain tax positions would then be recorded if the Organization determined that it is probable that either a position would not be sustained upon examination or if a payment would have to be made to a taxing authority and the amount was reasonably estimable.

As of June 30, 2022, the Organization does not believe it has any uncertain tax positions that would result in the Organization having a liability to a taxing authority. The Organization is subject to federal and state tax examinations for tax years 2018 through 2020.

I. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

J. Retirement and health plan

The Organization sponsors retirement and health plans administered through the Archdiocese of Miami. The retirement plan was a non-contributory defined benefit plan through December 31, 2012. Effective January 1, 2014, the Archdiocese of Miami changed the retirement plan to a contributory defined benefit plan, whereby the Organization will match 50% of employee contributions up to 6% of eligible pay. The health plan requires a portion of the monthly obligation to be contributed by each employee. Total pension costs and health and welfare costs incurred by the Organization during the fiscal year ended June 30, 2022 totaled \$174,919 and \$215,766, respectively.

NOTE 3 – AVAILABILITY AND LIQUIDITY

The following reflects the Organization's financial assets at June 30, 2022, reduced by amounts that are not available to meet general expenses within one year of the statement of financial position date:

NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2022

NOTE 3 – AVAILABILITY AND LIQUIDITY (Continued)

The Organization regularly monitors the availability of resources required to meet its operating needs, and manages its liquidity by operating within a prudent range of financial soundness and stability and maintaining adequate liquid assets to fund near-term operating needs. In addition, the Organization anticipates, on an annual basis, collecting sufficient revenue to cover general expenses not covered by donor/grantor-restricted resources.

The Program, established as part of the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), provides for loans to qualifying businesses for amounts up to 2.5 times the average monthly payroll expenses of the qualifying business. The loan and accrued interest are forgivable as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels.
